# Logo

## Clear Space and Minimum Size

When using the Proctorio logo or text, leave an empty space of at least 150% of the height, with an equal offset for the width.

The Proctorio logo is not square. Use a circle that encompasses the edges of the logo and follow the 150% height rule so that it appears centered.

# Typography

Our typeface consists of two families:

Quatro for headers and Nudista for content.

We typically stick with these styles to make content easily readable and distinguishable.
